

全球与中国影子银行风险国际研讨会

CUFE Workshop on Global and Chinese Shadow Banking Risk

影子银行是当前学术研究领域的国际前沿性课题之一，中央财经大学金融学院课题组联合欧美主要国家的高校、中央银行、金融监管部门、大型金融机构的学者专家，共同组成了全球影子银行学者团队(www.globalshadowbankinggroup.org)，形成了全球影子银行专家学者的经常性对话机制。2013年6月29日，中央财经大学金融学院与广西大学中国—东盟研究院联合美国纽约州立大学纽帕兹分校举办“全球与中国影子银行风险国际研讨会”，共同讨论影子银行体系的风险与监管等专题问题。本次研讨会将有来自美国、德国、瑞典、中国与香港特区的学界、业界的金融专家学者出席会议，共同研讨影子银行相关问题。

Shadow banking is currently an important topic across the globe, and systemic risk that it creates has attracted official attention in most countries. The CUFE-based shadow banking group has performed research on a range of issues in this field and has built up a mechanism for dialogue among global shadow banking scholars. To continue this conversation on the topic, we are holding an international workshop to discuss the risks that global shadow banking poses. This workshop will be hosted by the CUFE School of Finance and Guangxi University Institute of China-ASEAN Research, and the State University of New York at New Paltz on June 29, 2013. Experts from central banks, financial regulation authorities, universities and financial institutions in Europe and the US, China, and Hong Kong will attend the workshop. The organizers welcome scholars and students who would like to participate in our discussions.
